From the Financial Secretary

Brother Knights, the calendar year is half over and there are about 60 of you who still owe dues. Some for more than just this past year. The Knights of Columbus is a catholic, family, fraternal and service organization that still wants you to be a part of, as an active member. Please take care of your dues payment as soon as possible. If you are suffering from financial difficulty, please do not hesitate to contact me at the council so that we could set up a payment plan and you would not lose your tenure as a member of our council.
